

## PETITION FOR REGULAR STATUS

A student admitted in conditional status for having less than a 2.75 undergraduate grade point average for the master's degree (3.0 for the doctorate); an unsatisfactory GRE/GMAT score; and/or having earned the undergraduate degree from an international institution, must petition for regular status after completion of 12 hours of graduate credit with at least a 3.0 average and no more than one grade of "C". In the case of a student admitted in conditional status because of failure to meet the GRE/GMAT requirement, conditional status may be removed upon submission of the satisfactory scores. Final discretion concerning this petition rests with the Dean of the Graduate School.
